| | | | | <i>Below is a brief description of the characteristics of the wine varietal, of course this will vary some based on the individual winemaker.</i> |
| Chardonnay | | | | Chardonnay: bright fruit aromas of apple, pear which harmonize gracefully with notes of vanilla & butterscotch if oaked. Ripe fruit flavors & lively acidity, yet balanced deftly with a subtle creaminess. The striking combination of rich flavors, ample body & refreshing finish make this wine a natural pairing for a wide array of foods. Stainless Chardonnay will be crisp, fragrant with lively acidity. |
